Case No. 1:22-cv-00001-SLG

**STIPULATED ORDER**

1. This Stipulated Order (“Order”) is entered into by and between Plaintiff Public Interest Legal Foundation, Inc. (“Plaintiff”) and Alaska Lieutenant Governor Nancy Dalhstrom (“Defendant”) (collectively, “Parties”).

**BACKGROUND**

2. In August 2021, Plaintiff requested the following records from Defendant pursuant to Section 8(i)(1) of the National Voter Registration Act of 1993 (“NVRA”), 52 U.S.C. § 20507(i)(1)<sup>1</sup> (the “Request,” attached as Exhibit A):

1. All “ERIC Data” received from ERIC<sup>2</sup> during the years 2019, 2020, and 2021 concerning registered voters identified as deceased or potentially deceased (“ERIC Reports”).

---

<sup>1</sup> NVRA Section 8(i)(1) provides, “Each State shall maintain for at least 2 years and shall make available for public inspection and, where available, photocopying at a reasonable cost, all records concerning the implementation of programs and activities conducted for the purpose of ensuring the accuracy and currency of official lists of eligible voters, except to the extent that such records relate to a declination to register to vote or to the identity of a voter registration agency through which any particular voter is registered.”

<sup>2</sup> “ERIC” is the Electronic Registration Information Center.

2. All reports and/or statewide-voter-registration-system-generated lists showing all registrants removed from the list of eligible voters for reason of death for the years 2019, 2020, and 2021 (“Deceased Cancellation Reports”).

(together, the “Requested Records”);

3. Defendant denied Plaintiff’s request for the ERIC Reports.
4. Defendant granted Plaintiff’s request for the Deceased Cancellation Reports and provided registrants’ ascension numbers but not their voter identification numbers and dates of birth.<sup>3</sup>

5. On January 20, 2022, Plaintiff filed this action against Defendant (the “Litigation”).

6. Defendant denies liability for the cause of action Plaintiff asserts in the Litigation.
